Welcome to Term 4 of 2018.

This Term the Library will be offering sessions on Digital Literacy as well as the ever popular Lunchbites.

Should you need a quick introduction to WORD, EXCEL, POWERPOINT or PUBLISHER or help with inserting images into documents we are able to work with you to organise a time that suits – catering for individuals or small groups.

---

**LUNCHBITES @ THE LIBRARY**

Stay tuned for the full Term 4 Lunchbites program but in the meantime prepare for the Pet Information Expo on Tuesday 23rd October – 12.30 – 2pm.
Library staff can help you search TAFECat, the Library Webpage or access a Libguide to find streaming video programs with relevant subject content. Programs such as these are available:

**Retail selling skills** – 24 short programs on the basics of retail and customer service.

**Work-related stress and other WHS programs.**

**Veterinary Terminology** - Prefixes, Suffixes and all that....

---

**International Zoo Yearbook**

*Vol. 52, 2018*

Published annually. Fully referenced and researched each edition considers a particular animal. This edition looks at **Conservation of Great Apes**.

**Contents:**

- The latest thinking about taxonomy of great apes
- Genomic variation of the Great Apes
- Great Ape nutrition
- Regurgitation and reingestion
- Studying primate personality in zoos
- The Great Ape heart project
- Cardiovascular disease in Great Apes
- Gorilla conservation
- Orang utans in Asian zoos

And more..
